MARION COLLEGE

MARION, VIRGINIA

1958

## Alma Mater

Now fixed on thee our hopes repose  
O Marion, dear Marion.  
May every year new good disclose,  
O Marion, dear Marion.  
Through all the garish lights that gleam  
To lure us from the paths of truth,  
Thy greatness shineth like a beam  
Of one fair star, O Marion.

## Dedication

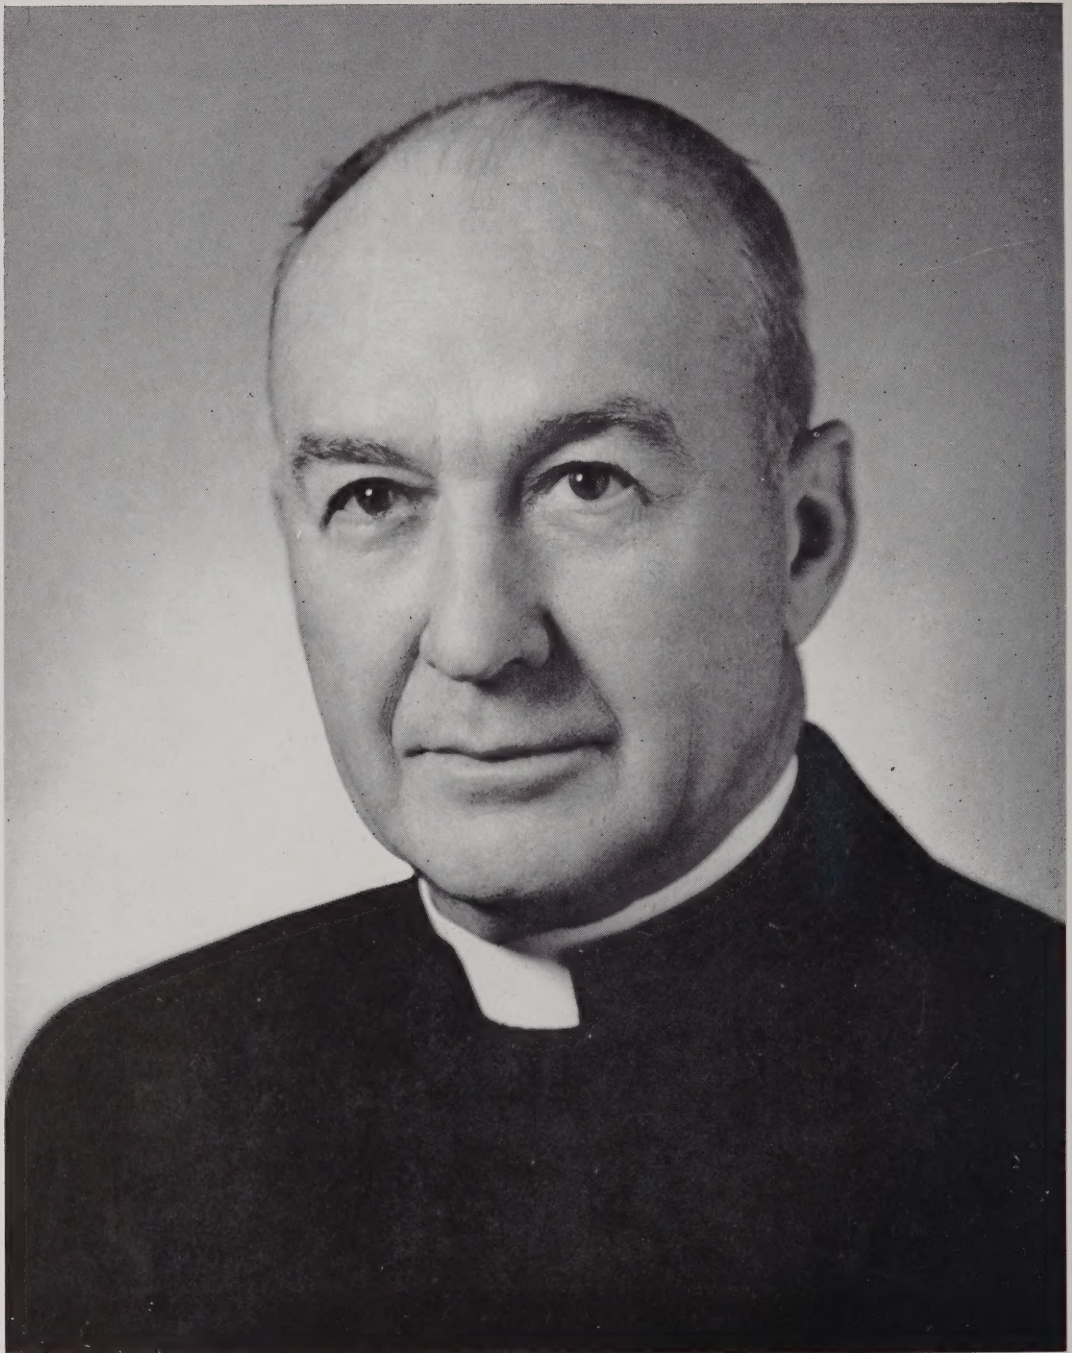

EDITH G. HOOVER

For her undying interest in the Marion College students, her friendly spirit, her faithful service, and her contribution to a better Marion College, we dedicate the 1958 HATCHET to Miss Edith G. Hoover.

We know you hold a special place for each of us in your heart. We wish to congratulate you.

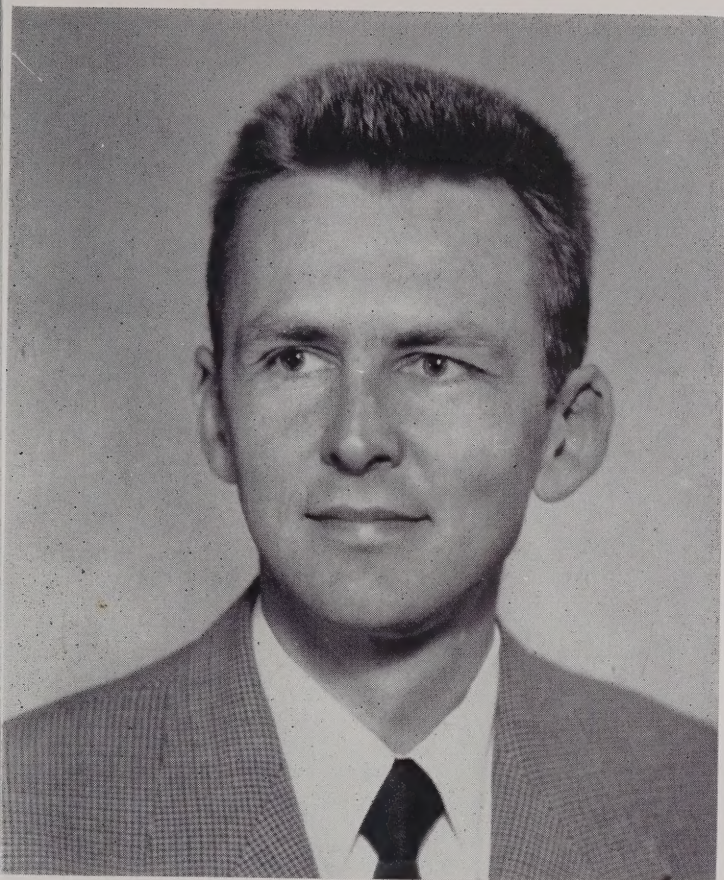

DR. JOHN H. FRAY, *President*

## President's Message

Among the joys reserved for the members of the Faculty and Staff who continue in service here at the College is the good fortune of being part of a relationship continuously changing. We are privileged to share in the hopes and dreams, vicissitudes and anxieties of an ever-varying student body. These experiences enable us to become a part of you and you a part of us. Our interests are forever widening as you move out into other areas of life, and whatever investment we have made in your growth and development here will bind us together in the future for, "where your treasure is, there will your heart be also."

## THE SENIORS

The May Day Dance, the formal gowns,  
The day our May Day Queen was crowned.  
We will have these moments to remember.

The quiet talks, the noisy fun,  
Those hockey games we almost won.  
We will have these moments to remember.

Tho' we will soon be leaving and our paths will have to part,  
The friendships we were glad to share will live within our hearts.  
So if we cry or if we cheer, we'll never forget the days spent here  
Cause, we will have these moments to remember.

## THE JUNIORS

We are the Junior Class of Marion,  
Our college days are full of fun,  
We have got the happiest hall,  
And, by gosh, we're having a ball,  
And though we get a lot of call downs  
For lights and lots of noise,  
We've got a right good hunch  
That we're the smartest bunch  
Within the walls of Marion.

We have the greatest group of teachers.  
They range from young to thirty-nine.  
Some are hard and some are tough  
And our homework's more than enough.  
With reading ole Atlantic monthly  
And those "Pacifikes", too,  
Our knowledge grows and grows  
Until our brain explodes,  
With-in the halls of Marion.

## THE HIGH SCHOOL

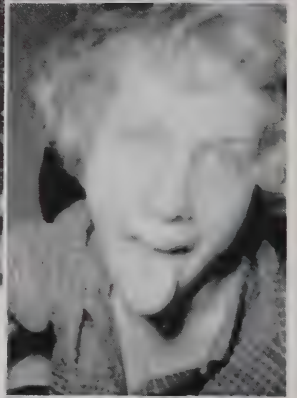

We're the Class of Fifty-Eight, oo la,  
We really think we're something great,  
Marion girls are we.

We all study night and day, oo la,  
We never stop for fun or play, oo la.  
Marion girls are we.

So give a cheer,  
We're gonna shine this year.  
We're gonna climb right to the top,  
And we will never stop.

We all hail from the forty-eight, oo la,  
We are the smartest in the state,  
Marion girls are we.

Now we all are Southern Belles, oo la, oo la  
Here's the moral our story tells—  
Be Marion girls as we!

## School Editors Demand Confidence

Editors of high school and college yearbooks insist upon doing business with a printer in whose integrity they can have confidence.

From the very beginning, in 1883, Stone Printing has been a quality leader in the specialized field of yearbook production. We are proud of the confidence demonstrated by the acceptance which "Yearbooks by Stone" have received among our many customers over a span of more than three-quarters of a century.

There are countless reasons why so many schools have complete confidence in Stone. You, too, can take advantage of our complete service to high school and college staffs. From the first layout to the completed job, printed by either offset or letterpress, your book will be produced to meet your most exacting requirements and your budget.

One of our representatives will be happy to meet with your staff and discuss your next yearbook. Please call on us.

Dear Mel,

Oh you doll, you're one I'll  
never forget. Who could have asked  
for a better suitemate, or better  
still who could have gotten a  
better one. Lots of luck to the kid  
who's late, larruping, heck, and  
dark lipstick. I guess that's what  
makes you so unique! Of course  
you're just plain cute anyhow.  
Bye now Mel and don't fret  
I'll see you again sometime!

Dear Carol,

You'll never know how lucky I feel to have you as my "big sis". You're really set an example which I hope I can follow at least a little. It's been great.

Always,  
Joyce

Dear Carol,

You're one of the many things that make it so sad to have to leave Marion. You've really been an understanding and wonderful classmate these two years. I'll never forget you. Hope this isn't good-bye.

Wishing you all the luck in the world for no one deserves it more.

Love,  
Janet

Carol, I have enjoyed  
all the wonderful times  
with you at the  
homecoming - you  
are a great person  
Love, Joy. Kuster

Dear Nell, how  
It sure has  
been nice knowing  
you these years. Remember  
all the good times, the  
crazy fun and everything.  
I shall never forget the soccer,  
big bad wolf and the boys we were  
always so afraid of. Have a lot of  
fun this summer and hurry on down  
to Radford. Hope to see you this  
summer. Write often.  
Love always,  
Elizabeth Ann

Good luck  
in the future
